To,

Mr. Anil Kumar,
M/s. MVS Engineering Pvt. Ltd.
New Delhi.

30/03/2019

Subject:- Letter of thanks.

I am pleased to share that all the abandoned senior citizens and disabled people living in our Gurukul join me to thank you and your esteemed company M/s. MVS Engineering Pvt. Ltd. for offering generous support under CSR Companies' Act to our NGO for the welfare of less privileged people.

In this regard we are touched to receive donation of Rs. 4,00,000 /- (Rupees four lakh) by online on dated 29.03.2019 in favour of our NGO – The Earth Saviours Foundation.

Further I would like to inform that at this particular time around 500 less privileged people are living permanently in our NGO's Gurukul located at Bandhwari Village, District Gurugram, Haryana. Most of these people are abandoned senior citizens, deprived, mentally disabled, bedridden and patients suffering with incurable diseases.

Your donation is helping us to construct a medical care cemented unit. So that the lives of abandoned and disabled people can be saved by giving proper care and treatment. The construction has already started. We are hoping in coming 3 to 4 months time it will be completed. We shall defiantly update you about the progress of construction work.

Thank you once again and we shall look forward for your constant support.

Your's sincerely,

Ravi Kalra (Karma Yogi)
Founder and President
